PRESENTATION OF 2019 TENTATIVE TAX LEVY

The Superintendent presented the following information for the 2019 Tentative Tax Levy:

	<u>Previous Year</u> <u>Rate Extended</u>	<u>Current</u> <u>Levy Request</u>
Educational	2.250	2.250
Operations and Maintenance	.7000	.7000
Bond and Interest	.6617	.6333
Transportation	.2000	.2000
IMRF	.0924	.1395
Social Security	.2218	.2092
Working Cash	.0500	.0500
Tort Immunity	.4436	.4219
Fire Prevention/Safety	.0500	.0500
Special Education	.0400	.0400
Leasing Levy	<u>.0500</u>	<u>.0500</u>
Total	4.7595	4.7439

Mr. Fletcher indicated the educational, operations and maintenance, transportation, working cash, and special education levies are extended to maximum amount possible unless changed by a voter referendum.

He continued explaining the resolution contains levy dollars, which are derived from the levy rates shown in this packet indicating that the Board has always set the dollars a little higher than we expect them to actually be, in case we have underestimated the equalized assessed value of property. Monmouth-Roseville does not want to "leave money on the table" that could have

been levied in the capped funds therefore, the Superintendent is anticipating a 6% increase in EAV believing M-R's EAV will come in close to 3.5% higher than last year.

Mr. Fletcher reported the levy request in IMRF, Tort and Social Security is similar to last year's number. as been reduced this year.

In closing, the tentative tax levy (if approved) would result in an approximate \$.0156 decrease in our total tax levy.

There was no input from the public however the Board discussed some outdated publicity the meeting received on social media.
